

**TK20 is Coming! Are you
prepared?**

Lena Walton, Co-Chair Self Study
Steering Committee

What is TK20?

A comprehensive data management system:

- Efficiently managing assessments /plans/systems;
- Assessing candidate experiences and learning outcomes;
- Reviewing aggregate and cumulative data;
- Generating reports for analysis of programs and University Strategic Plan;
- Providing supporting evidence for accreditation.

What do we need to do before TK20 arrives at UDC?

- Select Assessment Coaches
- Align your programs
- Determine key/main assessments
- Develop rubrics
- Trust the system and be patient when kinks occur
