

Fall 2017 STEM CAREER SEMINAR SERIES

What are your career plans with your degree in STEM??

Are still not sure what you want to do??

Need some inspiration and motivation to move forward in STEM??

Come see what your degree can do in the real world!

This Fall the “**STEM Career Seminar Series: Exploring the STEM Possibilities**” will present 6 seminars aimed at letting you know just a few of the possibilities for your STEM degree!

****Light Snacks provided****

Dates:

September: Biologist/Chemist can do what??

9/14 & 9/28 @5p (Building 41, Room 401)

October: Psychology and Beyond!

Date: TBD

November: But why do I need math, again?!

11/14 and 11/28 @5p (Building 41, Room 401)
