## Leave Your Legacy at UDC

Support UDC's future and be etched in its history by joining other alumni, students, faculty, staff, parents, friends and local businesses with the purchase of a paver or plaza illumination pillar on the Dr. Cleveland L. Dennard Plaza. This tax deductible donation is a major vehicle to enhance UDC programs and support scholarships for UDC students.

Reserving a UDC paver or illumination pillar is a great way to wish someone a happy birthday, anniversary or congratulations on graduation. Your paver or pillar may honor a friend, a loved one, or define your connection to UDC in some other meaningful way. In addition, this opportunity honors a longtime commitment to build and celebrate a giving community through a place where fraternities, sororities, alumni from specific schools, and individuals can leave their legacy with the university for generations to come.

# A Place Like No Other

With the renovation of the Dr. Cleveland L. Dennard Plaza a few years ago, UDC now has a “green” gathering space with enhanced lighting and a beautiful water feature. The Plaza also features an eco-friendly storm water management system to help reduce the runoff entering the city’s storm sewers. With increased planting areas, the Dennard Plaza offers a pleasant oasis for campus enjoyment and a memorable place for you to leave your mark and invest in the university’s future.
