

Greetings to all,

My name is Jacquit Randriambololona, I am the Undergraduate Student Government Association President. Homecoming week is upon us from November 11-17th!

One of our signature events will be our very own Firebird Dodgeball, where each class (freshman, sophomore, junior, and senior) including alumnus and Graduate Students as well, will compete towards the title of who runs the nest. Show out Firebirds and do not miss out on this opportunity and please sign up today!

(Attached is the link for signing up as well as a description of the rules to the game and a liability waiver form as well. Please have the forms completed by November 13th.)
