ATTACHMENT TO MODIFICATION NO. 2 OF SOLICITATION NO. GF-2019-R-0016

I was unable to attend the Q&A conference held on February 14th, 2019 and have provided my questions below in numbered form. Please see below.

1. Am I privy to information regarding the competitive nature of this solicitation (i.e. how many individuals attended the Q&A conference based on the sign-in list?)

ANSWER

Yes you are privy to information regarding the competitive nature of the solicitation. The pre-proposal conference sign in sheet is attached to the modification number one of the solicitation which is posted on our website and can be accessed at <https://www.udc.edu/procurement/capital-solicitations/>

2. Will the results from the Q&A be posted on a public platform for review? If so, when and where?

ANSWER

Yes, they are posted on the UDC website (<https://www.udc.edu/procurement/capital-solicitations/>) on 2/15/19.

3. Since I'll be applying to this solicitation as an individual, are you familiar with any licenses or certifications that I'll have to furnish by law either upon submittal of this proposal or soon-there-after?

ANSWER

Please see "Special Responsibility Standards" on page 40, Section L.18 of the solicitation.

4. I was recently awarded a small contract through UDC to deliver Youth Work Methods Trainings up to a certain dollar amount but is contingent on training demands. Does this make me ineligible to apply for the current solicitation I've referenced above?

ANSWER

No

5. Although this solicitation has an initial contract period of six months (ending September 2019) with a contingent optional extension for up to a year there after (September 2020, is there a possibility this contract could be extended, yet again, provided that funding is available?

ANSWER

This solicitation does not provide for an extension beyond one year after the one year option.
