					12/5/19
(Signature of person authorized to sign)			(Signature of Contracting Officer)		

University of the District of Columbia
RPF- Design-Build Services for Elevator Replacement Project, Bldg.# 32/42
Solicitation No.: GF -2020-R-0006
Questions and Answers

- 1.) Question 1) Please confirm that all permit reviews will be conducted by DCRA, and ASME 17.1 Safety Code for Elevators will be the governing code required to be adhered to. Please confirm GSA will not be reviewing this project and the GSA PBS P-100 code is an incorrect reference.

Answer: Confirmed, GSA will not be reviewing. However, Design/Build contractor will be responsible for securing all applicable permits.

- 2.) Question 2) Please make available existing Architectural, Structural, Mechanical, Plumbing, and Electrical Riser Diagrams and Drawings.

Answer: Existing Base Building drawings (from the 1970's) that have been scanned & archived as PDF files will be made available. Please contact the Capital Construction Project Manager, Chris Romney @ 732-241-9562 to coordinate downloading to Bidder's provided flash-drive at the offices of Capital Construction. Building 38/C01A.

- 3.) Question 3) Please confirm that circuit tracing is not required, because all electrical panel labels are correct and legible.

Answer: It is the responsibility of the Design/Build contractor to confirm.

- 4.) Question 4) Please confirm that there is adequate power feeding the elevators.

Answer: It is the responsibility of the Design/Build contractor to confirm.

- 5.) Question 5) Please confirm that backup/emergency power will not be required for the elevators.

Answer: It is the responsibility of the Design/Build contractor to confirm.

- 6.) Question 6) Please confirm that no structural upgrades will be required.

Answer: It is the responsibility of the Design/Build contractor to confirm.

- 7.) Question 7) Is full-time supervision a requirement for this project?

Answer: Yes.

- 8.) Question 8) Is this project tax exempt?

Answer: Yes.

- 9.) Question 9) Please confirm that there are no alternates required on the bid form.

Answer: Please see Section 14A. Additional Solicitation Considerations, Page #1, of Solicitation and Attachments J.12 Bond Forms

- 10.) Question 10) Please confirm that there is no minority business enterprise (MBE) requirement for this project.

Answer: See Section M.5, Preference for Certified Points Business Enterprises

- 11.) Question 11) When is the intended start date for this project?

Answer: As soon as possible after award.

- 12.) Question 12) Please confirm that the roofing repairs to the #38 elevator machine room will be completed prior to the elevator renovation and should not be included within this scope of work.

Answer: Not applicable to Bldg.32/42.

13.) Question 13) Is a bid bond required? If so, please provide us with the necessary forms.

Answer: Please see Section 14A. Additional Solicitation Considerations, Page #1, of Solicitation and Attachments J.12 Bond Forms

14.) Question 14) Provide us with applicable prevailing wages

Answer: See Section J.2

15.) Question 15) Is there additional documentation available for the two Design-Build Elevator projects (documentation not on the website)?

Answer: Refer to Question No. #2.

16.) Question 16) Are there any upgrades to the fire sprinkler systems, sump pumps, mechanical systems, and/or fire alarm systems in the elevator shafts and machine rooms?

Answer: It is the responsibility of the Design/Build contractor to confirm.

17.) Question 17) What are the cab allowances for each elevator?

Answer: \$25,000.

18.) Question 18) Would you please verify the bid due date.

Answer: Due Date for Proposals is 12/13/19, 2 pm

19.) Question 19) Based on the job site location, is IBC required?

- If known yet, please provide the IBC data:
- Seismic Design Category (A, B, C, D, E or F)
- Seismic Use Group (1, 2, 3 or 4)
- Design Spectral Response Acceleration (SDS)
- Building Importance Factor (1 to 1.5)

Answer: Refer to Section C.2.3 Reference Materials for use.

20.) Question 20) What is the expected time frame for this project award?

Answer: As soon as possible after the Evaluations are complete.

21.) Question 21) Confirm that all the existing elevator entrance frames are to be ripped out and replaced. The existing look to be in good condition, and generally free of defects/blemishes. In the spirit of cost savings, is it acceptable to provide replacement of the entrance frames as an add alternate?

Answer: Please provide replacement of the entrance frames as an Add Alternate / Unit Cost per opening.

22.) Question 22) On page 1, Section 10 of the specifications, it asks for the offeror to submit one (1) original and six (6) copies. However, on page 52, Section L.4.1.3 of the same document it instead asks offerors to submit one (1) original and four (4) copies. How many copies should offerors submit?

Answer: Please submit one (1) original and four (4) copies

23.) Question 23) Is a CPM schedule required to be submitted with the bid package?

Answer: Please refer to issued contract requirements, Section C.4.2.

24.) Question 24) Along with attachments J.11 and J.12, which other attachments listed must be provided with the bid proposal?

Answer: See Section J, of the solicitation

25.) Question 25) Section L.4.1.3. states proposal not to exceed 75 pages. Please confirm is this for the combined total for both the technical and price proposals? Or is there a 75 page limit for the technical proposal and a 75 page limit for the price proposal?

Answer: 75 page limit per Technical and Price Proposal

26.) Question 26) Section M.3.1. States: The University desires to engage an Elevator Contractor with the experience necessary to realize the objectives set forth in Section C of this RFP. Would a bid package submitted by a General Contractor be considered a responsive bid?

Answer: Yes!

27.) Question 27) Section L.5.1.2.1 States: "List as many identical or similar projects as possible that the offeror has worked on in the last 5 years" and has a list of requirements to provide for each project listed (These are detailed in sections: L.5.1.2.2.; L.5.1.2.3.; and L.5.1.2.4).

Section M.3.1 Factor 1 States: "Offeror's will be evaluated based on their demonstrated experience in: (i) three (3) passenger elevator projects in occupied buildings valued over \$100,000 in which the Offeror served as the general contractor in the past five (5) years; (ii) two (2) design-build projects where the Offeror served as the general contractor in the past five (5) years;

Please confirm the requirement in M.3.1, for 3 passenger elevator projects and 2 design build projects is what we are to submit in our technical package and is sufficient to meet the requirements of L.5.1.2.1, which states as many identical or similar projects as possible.

Answer: Confirmed.
