## UDC Biomedical Engineering Summer Programs

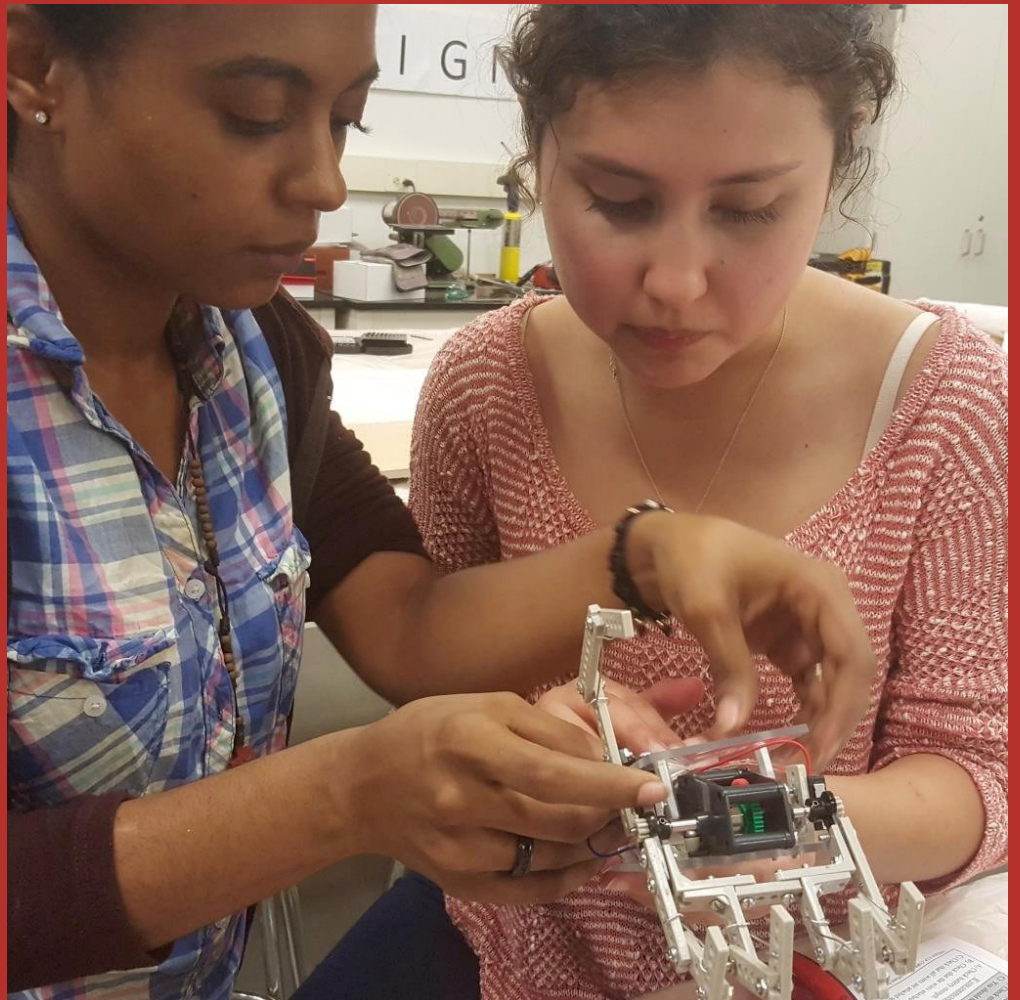

### SUMMER BIOMEDICAL ENGINEERING WORKSHOP

- Hands-on engineering equipment and creative design projects
- Exposure to real-world problems and solutions in biomedical engineering
- Professional training and development

[Application and Information  
for Summer Biomedical  
Engineering Workshop](#)

June 25 – 28, 2018

Monday – Thursday, 10:00am - 3:00pm

**Summer Biomedical Engineering Workshop  
Welcomes participants over 18 years of age  
interested in Biomedical Engineering**
