

How to Enroll with WDLL

Step 1: Attend an Information Session and take the CASAS assessment

Start Now! Attend a regularly scheduled CASAS Testing Day at our locations. Current schedule can be found <here> (attachment #1).

- Bring your DC Driver's or Non-Driver's ID.
- Please report fifteen minutes (15) prior to testing time.
- Children are not allowed to attend testing days.
- Northstar Digital Literacy, Medical Terminology Pre-Assessment, and the ACCUPLACER will be administered at Patricia R. Harris on every Tuesday at 2:30 pm (arrival time 2:15 pm). For inquiries call 202-274-6999 for assistance.

Step 2: Gather registration documents

WDLL requires all prospective students to submit documentation. See the <list of WDLL Required Documents> (attachment #2). Some programs require <additional documentation> (attachment #3). Attend a CASAS Testing Day to learn more.

Step 3: Attend a Registration Day to meet with an advisor and register

You must bring ALL required documents to a Registration Day in order to see an advisor and register for class. Attend a CASAS Testing day to learn more about Registration Days and to receive the schedule for the upcoming semester.

Please consider the following important notes:

- Prospective students are encouraged to attend early registration dates to provide ample time to complete process.
- WDLL phones may be forwarded to voicemail during registration as all staff will be attending registration dates below.
- Students **must have all required original documents**, to complete registration.
- Additional assessments may be required for certain programs. Attend an information session to learn more. Assessments include:
 - NORTHSTAR Digital Literacy Assessment: <https://www.digitalliteracyassessment.org/>
 - ACCUPLACER: <http://www.cc.udc.edu/accuplacer>
