

University Assessment Schedule (2018-2024)

The Office of Planning and Institutional Effectiveness (OPIE) is asking units from Academic Affairs, the Division of Student Development and Success, Operations, and Administration to submit *substantive assessment reports every three years*—with highlights from programs that make the units unique. Programs in your unit can be placed on a rotating schedule, to ensure that all programs are assessed within a three-year cycle (so that your entire unit can be represented when submitting your three-year report). OPIE additionally encourages, supports, and provides feedback on *annual assessment processes and reporting*—in alignment with UDC’s strategic plan. Focus on three-to-five goals per cycle in your annual assessment plans. Please see the 2018-2024 schedule of assessment reports, below.
