

Associate Programs & Degrees

Click here (<http://docs.udc.edu/misc/Associate-Programs.pdf>) to download Associate Programs List. (pdf)

UDC offers over 81 degree programs encompassing a wide range of education levels and interests. To view and sort the program listing, click on the column headings; filter programs by degree type with the links on the left and/or search for a specific program of interest below. Select a program for more detailed information and learn how UDC can help you to accomplish your personal and professional goals. If you are interested in UDC's Workforce Development (<https://www.udc.edu/cc/workforce-development/>) offerings, please visit the Workforce Development Program (<https://www.udc.edu/cc/workforce-development/>).

If you have any questions about your program of interest, we encourage you to contact the Department Chair or Program Director directly. You can also contact the Office of Recruitment and Admissions (<https://www.udc.edu/registrar/contact-the-admissions-office/>) to receive more information on all of the benefits of enrolling at UDC and how to apply for admission (<https://www.udc.edu/apply/>).
