10.) Q. Is this an all-or-nothing bid?
A. Yes, this is an all-or-nothing bid requirement

11.) Q. H-1 – H-8 are spec-ed for 60". However, the only piece of equipment underneath the hood is a 24" Range. We could shorten these hoods unless you are planning to add equipment underneath later. If that's the case we might want to look at the CFMs.
A.   "Provide sized as specified."

12.) Q. Item 4 – Hood 9 is spec-ed for 60" as well. However, the only other equipment listed that would need a hood over it are two 36" Griddles. If this is true we will need to make this hood

84" to meet code requirements. However, on the drawings I do not see where two griddles are side by side.

A.   "Provide sized as specified."
