

Committee Report for the Research Committee Report.

The Convenor, Chris Anglim, of LRD, convened the Research Committee on October 11, 2022, when the various committees met during the break out session.

Attending were : Chris Anglim, Meghan Kowalski, and Rosie Sneed.

Chris Anglim became chair of the Research Committee for 2022. The Committee will usually meet on the first Thursdays of every month, with the exception of meeting on November 8 at 1:30 because Prof. Kowalski will be out of town our regular meeting date.

We will work on recruiting additional members, developing a research agenda for 2022-2023, and encouraging faculty members to submit lists of their writings for inclusion into our electronic bibliography.

Respectfully submitted this 11th day of October, 2022.

Chris Anglim , Chair.
